

## SPRING FOR ZENGER

**Saturday, March 20th  
4:00-5:00PM**

**Prepare for Spring with a FREE virtual panel discussion featuring gardening and growing advice and tips, along with in-person opportunities to visit the farm and limited-edition garden kits available.**

Our panelists have decades of combined experience in plant growth and care, including organic vegetable farming, medicinal and native plants, arboreal care, and natural landscaping. They'll be ready to answer your gardening questions! Registrants for Spring for Zenger will also be sent information on opportunities to explore the farm and enjoy fresh spring air while enjoying safe, fun activities.

During registration, you can also purchase a limited-edition Spring for Zenger garden kit! Available with a \$150 donation, these kits are packed full of garden goodies, including:

- Organic lettuce, scallion, and sweet pea starts, grown right here at Zenger Farm
- Seed packets and catalogs from Adaptive Seeds and Portland Seedhouse
- All-natural lip balm from Portland Bee Balm
- Garden gloves, steel trowels, and gift cards from Portland Nursery
- Healing, all-natural herbal salve for gardener's hands made by Zenger Farm's team
- Your choice of a Zenger Farm branded tote bag, t-shirt, or children's apron
- And more (stay tuned!)
